2                   (1.) It appears you are hereby Noticed; Please take Notice that it appears on  
3                   October 07, 2022, at 08:30 a.m., or as soon thereafter as possible, in  
4                   Department 1639 at the UNITED STATES BANKRUPTCY COURT,  
5                   Central District of California (in and for Los Angeles County), located at  
6                   255 E. Temple St., Los Angeles, CA 90012, Special Interested Party-  
7                   Principal, Andre Mario Smith, ("the-one") by and through its duly  
8                   authorized representative, will, and hereby does, request more time to  
9                   comply with the Order dated and/or entered on September 27, 2022,  
10                  particularly, providing redacted copies.

11                  (2.) Dated: October 11, 2022

12                  Peacefully ordered,

13                    
14                  By: Andre Mario Smith  
15                  Smith, Andre Mario.  
16                  attorney in-fact; lawful  
17                  counselor for Andre Mario  
18                  Smith. All rights reserved.

19                   **Request for More Time to Comply**

20                  (3.) It appears, among many other criminal things, Richard Saghian ("not the-  
21                  one"), by and through its duly authorized representative(s) Jamie Salanga  
22                  d/b/a DRAKEN PRIVATE SECURITY ("vexatious litigants") have initiated  
23                  numerous frivolous and otherwise malicious prosecutions, spanning several  
24                  jurisdictions, against *the-one* involving several different tribunals, including:  
25                  Superior Court of California (in and for) the County of Los Angeles LAX,  
26                  Hollywood, and Stanley Mosk Courthouse Branch(es), in addition to its  
27                  ludicrous and otherwise treasonous Motion and Joint Motion to show cause  
28                  why *the-one* should not be held in contempt, presumably to aid not *the-one*  
                in its efforts to borrow currency, or perhaps further other selfish personal  
                interest.

29                  (4.) It appears, among many other treasonous things, *the-one* is currently on trial

1 by jury, a criminal violation of its Sovereign Immunity, giving rise to *high-*  
2 *treason*, at Superior Court of California, County of Los Angeles, LAX  
3 Branch, Department 71; has been “kidnapped” by Los Angeles County  
4 Sheriff and falsely imprisoned for a total of seven (7) days; held captive for  
5 \$50,000.00 ransom and \$25,000.00 ransom, fraudulently disguised/referred  
6 to as bail, giving rise to *high-treason* and *moral-turpitude* on the part(s) of  
7 the authorizing judicial and other officers, at the Los Angeles County Jail-  
8 Men’s Central, for alleged violation of Penal Code Section 422(a) (Criminal  
9 Threat) referring to vexatious-litigants.

10 (5.) It appears, among many other unconstitutional things, *the-one* has been denied  
11 a *speedy-trial*, has been threatened, coerced, and otherwise prejudiced from  
12 the bench and on the record by at-least two (2) dishonorable judicial officers  
13 appearing in Department 92-LAX Branch.

14 (6.) It appears not the one, CRESTLLOYD,LLC, can expect a bill/true-bill/-  
15 Invoice/demand for payment for the reasonable cost, lawyer fees, and other  
16 reasonable fees/cost associated with its’ Denied above-mentioned motion.

17 (7.) As such, it appears *the-one* has not been presented with a reasonable  
18 opportunity to competently comply with the Order dated September 27,  
19 2022, and Request more time, up to forty-five (45) days, taking into  
20 consideration the above hereby declared and affirmed facts, too comply.

21 **POINTS AND AUTHORITIES MEMERANDUM**

22 **Introduction**

23 (8.) It appears all men and women know that the foundation of law and commerce  
24 exists in the telling of the truth, the whole truth, and nothing but the truth.

25 (9.) It appears truth as a valid statement of reality is sovereign in commerce.

26 (10.) It appears an unrebuted affidavit stands as truth in commerce.

27 (11.) It appears an unrebuted affidavit is acted upon as the judgment in  
28 commerce.

1                   **Lawful Bases for Granting Extension**

2       (12.) It appears, on its own discretion and-or in the furtherance of the interest of  
3                   justice a tribunal may grant a request for extension of time upon an  
4                   interested party's request.

5                   **Conclusion**

6       (13.) It appears, *the-one* has presented facts and circumstances that would lead a  
7                   prudent individual to believe more time to comply is needed, and therefore,  
8                   its request should be granted.

9 it is *so ordered*.

10 DATED: October 11, 2022

11                   Peacefully recorded,

12                     
13                   Smith, Andre Mario.

15                   counselor for Andre Mario  
16                   Smith. All rights reserved.
